CERTIFICATE OF RESPONSIBILITY

(To be filled out by the Special Inspector before permit is issued)

I certify that I am familiar with the design of the above-named project and, in accordance with Section 1704 of the 2003 International Building Code of the City of Yuma, hereby assume full responsibility for carrying out the required special inspection. Inspection reports will be filed with the Building Official, as required by Section 1704.1.2. The individuals named below will be field inspectors under my direct supervision and will be on the job site and render competent inspection.

CERTIFICATE OF COMPLIANCE

(To be filled out and sealed before a Certificate of Occupancy is issued)

I certify that, to the best of my knowledge, the requirements of the 2003 International Building Code and the approved plans and specifications have been complied with, insofar as the portion of the work requiring special inspection under Section 1704 is concerned, except for those deviations previously reported. A guarantee that the building is in full accord with the plans and specifications is neither intended nor implied.
