

**TOWING AND VEHICLE STORAGE SERVICES FOR HEAVY DUTY VEHICLES AND EQUIPMENT
 BID #2016-200000022**

DICKS 25 HR TOWING
 Yuma, AZ

1. Maximum Allowable Hourly Service Call Rate

\$207.00 per hour

The above listed ratings are the Flat Rate that the City will Pay. This rate will start when TSP arrives at the tow location and includes mileage for up to 10 Miles.

To include: Accident scene towing/site clean up services, abandoned/confiscated vehicle towing services and All other YPD initiated tow related services done in accordance with A.R.S. §28-28-872 and/or which the Department may require.

Rates are prorated every 15 minutes after first complete hour. Rates start when tow truck is dispatched/in-route to specified scene & end at point of vehicle delivery/unload at nearest contractor storage facility or at the desitnation specified by the vehicle owner.

2. Plus Loaded Mileage Rate (after the initial 10 Miles)

\$7.00

Charges start at scene (loaded vehicle) and ends at point of vehicle delivery/unload at nearest contractor storage facility or at the destination specified by the vehicle owner

No charge will be incurred for storage during the calendar day in which the vehicle is picked up. A calendar day is defined as midnight to midnight.

3. Maximum Allowable Vehicle Storage Flat Rate

\$52.00 per day

*Unless stored as Per A.R.S. §28-3512, storage charges must not exceed \$15.00 per day, or as amended, when towed pursuant to A.R.S. §28-3511.

***\$15.00**

4. Maximum Allowable After Hour Open Lot Flat Rate

\$35.00 Flat Rate *No Charge

*Unless access is required pursuant to A.R.S. §28-3512 subsection B, which requires access at no charge to the vehicle owner for installation of a certified ignition interlock device.

5. Maximum Allowable Off-Road Recovery Flat Rate

\$173.00 Flat Rate

Requires pre-approval by on scene Commander or designee. May be charged in addition to hourly rate.

After Hour Service Fee: Shall not exceed 1 1/2 times the maximum Allowable Hourly Service Call Rate for Heavy Duty rounded to the nearest quarter-hour, regardless of type of vehicle.
