Marie's Story

**GREAT POPCORN.
GREAT MOVIE.**

France | 2014 | Drama| French
w/ English subtitles | 94 min|

At the turn of the 19th century, a humble artisan and his wife have a daughter, Marie, who is born deaf and blind and unable to communicate with the world around her. Desperate to find a connection to their daughter and avoid sending her to an asylum, the Heurtins send fourteen-year-old Marie to the Larnay Institute in central France, where an order of Catholic nuns manages a school for deaf girls. There, the idealistic Sister Marguerite sees in Marie a unique potential, and despite her Mother Superior's skepticism, vows to bring the wild young thing out of the darkness into which she was born. Based on true events, Marie's Story recounts the courageous journey of a young nun and the lives she would change forever, confronting failures and discouragement with joyous faith and love.

The Manhattan Dolls - Sentimental Journey

Hop aboard the "Chattanooga Choo Choo" and join The Manhattan Dolls on a "Sentimental Journey" through the great music of the 30s and 40s. Sit back and enjoy these timeless classics, or if you're "In the Mood" get up and dance! Sentimental Journey blends beautiful ballads with your favorite toe-tapping tunes, and of course, in classic USO fashion, takes some time to honor our brave men and women in the military. From boogie-woogie to the blues, Sentimental Journey celebrates the best the Great American Songbook has to offer.
