SERVICES AGREEMENT

I, the undersigned applicant, hereby apply to the City of Yuma ("City") for water, waste water, and/or trash services ("Services"). I agree to use such Services for my own purposes and agree not to sell or donate any part of the Services or permit the Services to be used for any other purpose. I agree to pay for such Services at the regular published rates and in accordance with City Code, rules, policies, and regulations, which are made a part hereof. I agree that if my account under this Services Agreement ("Agreement") is not paid promptly when due, and the City, in its sole discretion, deems it necessary to resort to collection agencies or attorneys, including but not limited to, the City's in-house attorneys, to collect the amount of the account, as the applicant I agree to pay a fifteen percent (15%) collection fee and one and one half percent (1.5%) interest charge per month on the unpaid balance and all costs and attorneys' fees in connection herewith. I agree that duly authorized agents and employees of the City shall have access to my premises at all reasonable hours for the purpose of installation, removal, or repair of meters and to inspect all equipment incidental to carrying out this Agreement. I further agree to save and hold the City harmless from any and all claims, real or alleged, for loss or damage to property of persons due to or arising out of the connection or disconnection of the Services beyond the point of metering or connection to the City's waste water facilities. I affirm that I am the owner of the served premises for which Services are requested and/or have express legal authority to occupy said served premises and request such Services. I understand that false information may result in the disconnection of Services. I agree to give the City notice when I cease to occupy the served premises and I desire to discontinue Services. I agree to accept legal service of process by publication if my whereabouts are unknown to the City. In the event of failure on my part to comply with the terms and conditions of this Agreement, I agree that the City, or its authorized representatives, may discontinue Services hereunder without further notice to me, and that such discontinuance will not constitute a waiver of any claims against me for prior Services at any location rendered by the City.

Security Deposit: I acknowledge that I may be required to pay a refundable security deposit before Services will be established. Such deposit may be waived based upon the applicant's credit worthiness and/or utility service history with the City of Yuma. Applicants who chose not to provide their social security number as part of the application process will be required to pay the security deposit regardless of their credit history or prior service with the City. The deposit shall in no way be construed to preclude the City of Yuma from discontinuing any and all utility services to the service location in the event of default on payment of any indebtedness for utilities services rendered to the premises regardless of whether or not the amount of the deposit is sufficient to cover the arrearage amount.

Notification of Social Security Number Collection and Usage: Disclosure of a customer's social security number is voluntary and is not a condition of receiving utility services from City of Yuma, but may impact the deposit a customer must pay prior to obtaining such services. The City may use social security numbers for the following business purposes:

- Establishment of new utility account applications;
- Identification and verification;
- To obtain credit information from third party credit agencies to determine the credit worthiness of a customer;
- Billing and payment collections; and
- The City may disclose social security numbers to another agency or governmental entity if such disclosure is necessary for the receiving agency or entity to perform its duties and responsibilities.

I (applicant/ co-applicant) hereby request the City to provide Services at the above service location and by signing below I acknowledge and accept the terms and conditions of this Services Agreement.
