

 The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit www.MyAmeriBen.com or call 1-866-365-9198. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.MyAmeriBen.com or call 1-866-365-9198 to request a copy.

Important Questions	Answers			Why This Matters:
What is the overall deductible?		In-Network	Out-of-Network	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
	Per participant:	\$1,000	\$2,250	
	Per family:	\$2,000	\$4,500	
Are there services covered before you meet your deductible?	Yes. Some services such as office visits require a co-payment while <u>preventive care</u> is provided at no cost.			This plan covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this plan covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No			No. You don't have to meet <u>deductibles</u> for specific services.
What is the out-of-pocket limit for this plan?		In-Network	Out-of-Network	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
	Per participant:	\$6,600	\$10,000	
	Per family:	\$13,200	\$10,000 per person
