

POOL RENTAL INFORMATION

We hope that you have a wonderful experience at our facility. The information provided will assist you in assuring you have a great day at the pool.

- Manager and guards will arrive ten minutes before requested rental time (unless facility is already open).
- Upon your arrival at the pool please ask for the Pool Manager.
- The Pool Manager will explain what will be occurring during your rental and go over the rules with all participants.
- Manager will confirm the number of people to expect. The amount of guards scheduled is based upon number of participants noted on submitted request.
- All participants will be required to follow standard pool rules posted at each facility. These rules are also attached to this letter.
- Manager will inform you when you have 15 minutes remaining before the end of your rental to allow for clean-up and exiting of facility.
- Kennedy Pool rentals that are outside of normal operating hours can decorate using tape only, no piñatas or noise makers. Food is allowed but must be kept in the snack/food area that is north of the main pool.
- Valley Aquatic Center – Aquarium room rentals will have access to a sink, counter space, and refrigerator. Decorations are allowed using tape (masking or painters tape only), no piñatas or noise makers.
- Admission Fees at the Valley Aquatic Center Aquarium room are payable onsite. You can work out the details with the Pool Manager or Cashier. Even if attendees will not be entering the pool, they must pay an admission fee as they are part of our capacity for the facility.
 - Examples: Some people pay for the children only and have the adults pay for themselves or pay for everyone or have the attendees pay their own entry fees

If you have any further questions prior to your reservation, please contact Kervina Landry, Recreation Coordinator at (928) 373-5246 or at (928) 257-6430.
